The arts have an amazing power to heal and inspire children. Our Summer Dance Camp was created in 2013 is an opportunity for children to explore various forms dance and creativity in a safe and fun space. Discipline is learned through the arts and is required to have a safe and productive experience every day. Please make sure you speak with your children prior to camp about listening to directions, following the rules to ensure safety and above all respect for self, the studio, and others.

I look forward to another AWESOME SUMMER CAMP WITH YOUR CHILDREN. WELCOME !!!
